

Amaia Cowan
Business Development Manager, EMEA
Futamura
Amaia.Cowan@futamuragroup.com

Amaia Cowan works as a Business Development Manager for Futamura, where she is involved in the promotion of its range of renewable and compostable films, marketed under the NatureFlex™ tradename.

She graduated in 1998 from the Ecole supérieure de Chimie Physique Electronique de Lyon (CPE Lyon) with an MSc equivalent in chemistry / chemical engineering and has been in the flexible packaging industry ever since.

Amaia started her professional career in a technical position for a BOPP film producer. She spent most of the last 15 years in marketing for speciality packaging films and holds the Diploma in Packaging Technology from the UK Institute of Packaging.
